Achieve Peace of Mind with the Award-Winning Wayfinder App!

With Wayfinder, you save time **taking attendance, creating routes** and **communicating with parents**. Wayfinder works seamlessly with Transfinder's parent app **Stopfinder** to provide parents with real-time **ETA** information.

Route Building, GPS, Navigation and Attendance – All From The Wayfinder Tablet*

- W** **Navigate** with ease and confidence onscreen and with **turn-by-turn voice guidance** on your mobile device.
- W** **Formfinder** - Nearly anything on paper can be made into an electronic form. **Discipline forms** are a snap; **Pre and Post Inspection forms** to simplify the start and end of each day – all from the mobile device.
- W** **Communicate** - Interact with team members in your organization through Transfinder's robust communication platform, **Chatfinder**. Share information with staff and employees quickly from anywhere.
- W** **Take Attendance** - Use RFID cards or manually tap and also input unscheduled riders at stops to mark attendance.
- W** **Create Trip** - Build a custom trip on the fly based off what students can on to the bus or by who the driver enters to create an efficient and safe trip for students doing after school activities requiring busing.

*You may supply your own tablets, or purchase Transfinder rugged tablets
